

CENTRAL ELEVEN DEFEATS BUSINESS THREE LOCAL COLLEGES AWAIT BATTLES HERE

CENTRAL ROMPS OVER BUSINESS

Central's powerful football team had little difficulty in defeating the Business eleven in the fourth game of the scholastic championship series, yesterday, in the Central Stadium by a score of 51 to 7. Central was disappointed when Business scored its lone touchdown as it was the first time in three years that the strong Mount Pleasant team had been scored against by a team in the local scholastic league.

The Central eleven upheld its old reputation and put up a fine defensive line when the occasion presented itself. Everyone looked for a larger score on Central's part but owing to the heat the going was slow. However the Mettler combination outplayed its opponents in every way. Business started the game with Peterson kicking to Newby, who returned the ball to the 40-yard line. Following in rapid succession came line plunges which enabled Newby to carry the ball over the goal line. Business again kicked and the ball was brought to the 30-yard line. After a series of line plunges and end runs Capt. Russell took the piskin over for the second touchdown. Russell failed to kick either goal. At no time during the quarter did Business have the ball in possession.

Peterson's Long Run. The second quarter started in much the same manner as the first. A couple of end runs by Newby, one of which gained seventy yards, followed by line plunges found the piskin on the five-yard line. Russell carried it over. In much the same order and in as rapid succession Russell and Strohecker both made touchdowns. Connelly kicked two goals out of three tries.

The shock came to Central and her many cheerers when Newby fumbled the ball and Peterson, the right half back, picked up the ball and scored the only touchdown for his team. He also kicked the goal. At no other time during the remaining minutes of the game was Central in danger of being scored upon.

DELAWARE HERE FOR GAME WITH HILLTOP TEAM

Georgetown is all ready for the battle with Delaware College eleven this afternoon on the Hilltop, which starts at 3 o'clock. This game will afford the Blue and Gray a chance to perfect its offense for the Navy game a week hence. Delaware is coached by Shipley, a former Maryland State player, who has had his charges out working overtime for this battle. Coach Shipley's warriors should have little trouble in running up a big score against the visitors.

TIGERS READY FOR MOUNTAINEER TEAM. Princeton, Oct. 31.—The Princeton eleven was given its last hard workout yesterday in preparation for tomorrow's battle with West Virginia. No scrimmages were held, as the Tiger men do not wish to run any risk of injuring any of his first-string men on the eve of the battle with the Mountaineers. Lourie and Garity will not start against the Blue and Gold eleven, but will be groomed for the Harvard and Yale contests.

STATE TEAM AWAITS BATTLE WITH OLD ELI. New Haven, Oct. 31.—Maryland State held a short signal drill here this afternoon in preparation for the battle tomorrow with the big Blue team. After a short drill the players were taken back to the club house and given a short instruction by Coach Byrd. After State held its practice the Bulldog team took a short signal drill and then a hike around the field which was followed by a long talk by the coaches.

Soldiers Play War Risk. The Nineteenth Field Artillerymen are going to celebrate Halloween the "day after"—that is to say, the holiday will be commemorated with a "banquet" football game on the post parade grounds—this afternoon at 3 o'clock. The War Risk has accepted the challenge of Lieut. Kitts' understudies, and is prepared for hard struggle.

Complete Billiard Tourney. Cleveland, Ohio, Oct. 31.—Arrangements for the second of the three great national American billiard championships, the three-cushion title fight at Cleveland, commencing November 6—are being completed by R. B. Benjamin, and the event promises to be a brilliant affair and to go a long way in putting the billiard game on the plane which it deserves.

Australian Turf Events. The great turf events of Australia have drawn big nominations for 1920. There are 279 entries for the Melbourne cup race, which will have \$35,000 added money and will be run November 4.

Clovers Issue Defi. The Clover A. C. would like to arrange games with any football team in this vicinity averaging 130 pounds. Address all challenges to John L. Rankin, 419 Seventh street southeast.

COLGATE PLAYS DARMOUTH IN BIG GRID GAME

Colgate and Dartmouth, who will furnish the biggest football game of the East today, are both parading an advance host of good all-stars. Reports from Hamilton and Harvard are painting dismal prospects for the big game. Both are telling the universe that their colors will be floated by a crippled eleven.

Navy Will Tackle West Virginians. Annapolis, Md., Oct. 31.—The Naval contingent is looking forward with intense interest to the development of the team during the next two weeks, and its showing against West Virginia Wesleyan tomorrow and Georgetown a week later. It is the crucial period for the Navy team, and it is absolutely necessary for it to develop more power in its attack if it is to make a good showing against the Army on November 29 on the New York Polo Grounds, not to speak of having a chance to win.

Leonard to Meet Duffy for Title. New York, Oct. 31.—Benny Leonard, lightweight champion, has signed for his first decision bout since taking the title away from Freddie Welsh. He is to go fifteen rounds to a decision with Jimmy Duffy, in Tulsa, Okla., November 27. Leonard has set his weight at 140 pounds.

Scott Perry Joins Franklin. Franklin, Pa., Oct. 31.—Scott Perry, who jumped Connie Mack's Athletics last August and joined the Franklin Independents, has come to terms with the club management for 1920 and will continue his residence here. His family recently came from Oklahoma and one child is in school. Harry O'Donnell, who came from Philadelphia with Perry, and Tom Rogers has signed a contract to manage the team.

Oarsmen on Water. Cambridge, Mass., Oct. 31.—The first day's racing in Harvard's fall rowing regatta between the club crews and those of the minor dormitories has resulted in some fine competition. The Eliot Club eight won three of their four races from Thayer, the latter's only victory being in the event between the number 2 crew which Thayer won by only two feet.

Appoint Tiger Cheer Leaders. Princeton, N. J., Oct. 31.—At a recent meeting the senior council appointed the following men to act as cheer-leaders for the rest of the football season: L. TWO and THREE BUGS BAER

ANNAPOLIS, Md., Oct. 31. The football situation at Annapolis is so sad that it is funny. The Dobie system consists of tears. The old boy has only nine men in his football works. He fired the two men because he wanted nothing about that smacked of minstrelsy and mirth. No professional pailbearer could be too professional for Dobie.

When we buzzed him as to his football orchestra, Mrs. Dobie's son crashed out into a flock of tears. Sobs shook his frame until all the rivets were loosened in his suspenders. He has the whole midshipman bazaar hyped up in the same way. Nobody has smiled in Annapolis since Dobie blew in with his chin at half mast.

Dobie expects to get trimmed by the Army by a large pinochle score. He weeps when he thinks about it. He also thinks when he weeps about it, which is where he shines. He had a weeping team out at the University of Washington that didn't smile or lose a game in nine years.

The football field is bordered by weeping willows, planted fifty years ago in anticipation of Dobie's arrival. The white 5-yard lines are painted black in order that no deluded bimbo may mistake football for an amusement. All the other coaches also sing in Dobie's weeping glee club. They cry on combustion.

When Navy bumped Bucknell 21 to 6, Dobie cried himself to sleep and woke himself up the same way. He is a ringer for Connie Mack, who is also a weeper. Only difference is that Connie has a reason. If Dobie weren't so tall, his eyes would have drowned him long ago.

Every time his team knocks off a touchdown, Dobie sobs himself sour. He is a gloom salesman and the world is his sample room. Dobie had to fire a guy off the squad on Monday. This cuckoo was the best player in the ensign factory, but he had a muscular contraction of the face that made him look as if he was smiling.

Between two large, well boiled orders of tears, Dobie let us know that his eleven were crippled from their rubber heels to their beargrease hair cuts. He said that he didn't have any line-up. It was a limp-up.

While chirping to Mr. Dobie, we listened to the Annapolis cheering squad singing the "Miser" from the opera of the same name. They waved pennants made of crepe. The middies all wear rubber boots so they won't cry their feet wet. Every time the head foreman of the Academy sees the expression on Dobie's mush he hops out and fires off the sunset gun.

If Navy disappoints Dobie by flattering the Army, the fat rascal will have to hire some nimble bird to help him weep. No guy can cry enough for that sorrowful occasion.

It's a tough life. Dobie cries before games because he has nothing to cry about after 'em, and a man must have his pleasures.

At present the situation at Annapolis is acute and will soon reach that point where ensigns scream, sailors faint and strong men grow pale.

AMERICAN BOXERS SAIL FOR SWEDEN. New York, Oct. 30.—The team of amateur boxers who will represent this country in a series of international tournaments to be conducted in Norway and Sweden next month will start on their journey overseas this afternoon. Benny Levin, local amateur boxing impresario, who will be in charge of the foreign invasion, was busy yesterday completing arrangements for his men.

LOUISVILLE RESULTS. FIRST RACE—Six furlongs. Lady Lurey, 114 (Cahill), 19.30, 5.10, 3.40; Korbly, 107 (Boyle), 2.20, 2.30; Herald, 108 (Crump), 3.10. Time, 1:13.25. Marciana, 21, Sweeping Glance, Rafferty, Jago also ran.

C. U. GRID TEAM AWAITS WHISTLE FOR GALLAUDET

Catholic University will open its season at Brookland this afternoon when it tackles the Gallaudet College eleven in their annual contest. Both teams will have their best line-up in the gray and a fast game is expected. C. U. hopes to break into the win column in this game, as it will be the initial contest at home. Gallaudet expects to make up for its defeat at the hands of Johns Hopkins last Saturday, which contest was lost in the last few minutes of play.

PANTHERS PREPARED FOR LEHIGH GAME. Pittsburgh, Pa., Oct. 31.—The University of Pittsburgh football team faces Lehigh University at South Bethlehem Saturday, and Coach Glenn S. Warner looks for an unusually hard battle. Coming as it does between the hard games with Georgia Tech last Saturday and the championship battle with Washington and Jefferson next Saturday at Forbes Field, it is causing the Panther men to get a lot of worry.

Lehigh is known to have a strong team, as evidenced by their victories over Rutgers and Princeton. Warner is fearful of another mental let-up on the part of his team, as occurred at Syracuse after West Virginia had been trounced so soundly.

1905 PENN ELEVEN SHOWED GREAT SPIRIT. Football players may do well to remember the wonderful achievements of the great Pen team of 1905. This great eleven, led to pieces by accidents and faculty rulings, remodeled a team which defeated Harvard. Penn, without the services of several of its best men, won all its games and came out victorious in the struggle with Harvard. At half time the score was tied 6 to 6. It was on that day that Mike Murphy, coach of Penn, made his immortal speech to the halves.

"I've only a little while to live, boys," said Mike, who was a sick man at that time. "Win this game for me." And Penn, fired by the words of the great coach, went out and won.

\$800 Is Each Giant's Divvy. New York, Oct. 31.—The members of the Giants were awarded their share of the world series receipts by the national commission yesterday. The full share for each of the Giants for finishing second amounted to about \$500. All the regulars received this amount, while others were given smaller amounts, according to their time of service with the club during the season.

Harvard Fencing Captain. Cambridge, Mass., Oct. 31.—The Harvard fencing team elected Royal Snow, of Chicago, for captain. Snow has twice taken part in the intercollegiate tournaments. Matches have been arranged with Columbia, Annapolis, Pennsylvania and Yale.

Witt Looks Promising. Ithaca, N. Y., Oct. 31.—Witt, a promising new halfback, encouraged the Cornell coaches this afternoon by repeatedly going down the field in a series of consistent gains.

Frank Moran Lands. Pittsburgh, Pa., Oct. 31.—Frank Moran, local heavyweight, returned to the ring last night and knocked out Denver Jack Geyer, Columbus, in the sixth round of a scheduled ten-round bout. Geyer was no match for Moran.

SPRINGFIELD TOES MARK AT HARVARD

Cambridge, Mass., Oct. 31.—With still an eye for the Springfield game tomorrow, but really headed for its engagement with Princeton next week, Harvard's football forces put in a long session. It was bloodless football, and except for no rough tackling the variety, substitutes and scrubs, went through all the motions, holding up when near the goal line.
